ULTRA QUIET

COMPACT AND LIGHT

AFFORDABLE

B O X L I G H T

SP-50m

For small offices, business travelers and **BUDGET-MINDED** presenters, the compact SP-50m is a great choice. At only 5.7 pounds, this powerful **1000 LUMEN** projector goes anywhere, and gives you a crisp 800 x 600 true SVGA image. Its **ULTRA-QUIET** operation (below 34dB) is appreciated in small meeting rooms where noise levels are important. The **"SOFT POWER"** button on the remote lets you turn the projector on or off from anywhere in the room. Features include Digital Keystone adjustment, Digital Zoom Imaging and a **PROGRAMMABLE REMOTE** to give you the control you need to make impressive presentations. Call the digital projector specialists at BOXLIGHT.

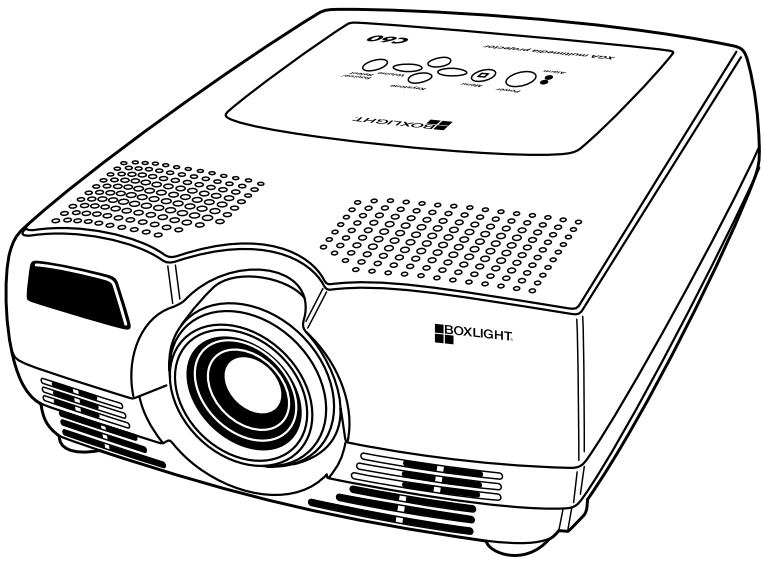
BOXLIGHT

SP-50m

projector



- *This ultra quiet, compact portable projector operates at under 34 dB and is perfect where low noise levels are important.*
- *True 800 x 600 SVGA resolution with SXGA compression gives you sharp images without having to change the resolution on your laptop.*
- *At only 5.7 pounds / 2.6 kg, it projects 1000 ANSI lumens for presentations with the lights on or off.*
- *There's a "soft power" button to turn the projector on/off by the remote, plus a selectable Power Management mode that shuts the lamp off if no source is detected for over 3 minutes.*
- *Programmable key on remote lets you control Digital Zoom Imaging, Freeze function, Blank the image or change to 16:9 aspect ratio.*
- *All BOXLIGHT projectors feature the latest in technology and design. Lifetime 24/7 technical support and the fastest response time in the industry from our state-of-the-art service center are included for your convenience.*
